<p><p>BLUE is a 2016 Ribeye A600, 6m RIB, presented in the distinctive Ribeye style with grey tubes and red upholstery. Powered by a 150hp outboard with approximately 300 hours, BLUE offers an excellent combination of performance, handling and practicality. The A600 is a very capable all-round RIB, equally suited to days out on the water, coastal cruising and watersports.
BLUE is currently being prepared for sale. As part of the pre-sale preparation, she will have an engine service and electrical check, the VHF will be replaced, and she will receive a full pre-sale valet, including the tubes and upholstery.
With her relatively low engine hours, Yamaha 150hp power, trailer, cover and Garmin equipment, BLUE represents a very attractive A600 package.</p><h3>Inventory</h3><p>Garmin chart plotter
