Various

Remarks :
**Finance and Part exchange considered **

Hulabaloo is a Sadler Yachts 26 offered for sale in good all round condition, she benefits from a **brand new Volvo Penta diesel D1 engine** fitted 2024, New Genoa 2025, The Sadler 26's two-module construction and built-in foam buoyancy make her one of the very few unsinkable cruising yachts every designed . . . a reassuring thought, particularly if you sail with a family crew.
early viewing recommended lying afloat in Kip Marina

Accommodation :
4 to 6 berths (V-berth forward, saloon convertibles, and quarter berth)

Forward V berth with two berths
Storage locker
Storage under beds
Hatch

En suite heads to Port forward before the forward V berth with storage locker to starboard

Galley to Starboard
Stainless steel sink at Galley
Storage under sink
Coolbox fridge
Gimble two burner gas oven in Stainless steel

Inventory :
>The 1983 Sadler is a 26-foot British cruiser-racer designed by David Sadler and built by Sadler Yachts in Poole. It features a foam-filled double-skinned "unsinkable" fiberglass hull, masthead sloop rig, and a high ballast ratio (~41–44%) for strong Features a private V-berth double

with storage space underneath and deck hatch access.

Located just aft of the forecabin, featuring a marine WC to port and a hanging locker opposite.

Includes twin settee berths with a central dining table (port settee often converts to a double berth).

Galley: Includes twin settee berths with a central dining table (port settee often converts to a double berth). Positioned to starboard at the companionway; typically equipped with a two-burner gas stove, grill, and oven, plus a stainless steel sink and cool box.

Navigation Area: A functional, compact chart table opposite the galley to port.

Quarter Berth: A single quarter berth running aft on the port.

Deck & Cockpit Layout

Deep, secure self-draining cockpit with high coamings and side lockers.

Cockpit: Deep, secure self-draining cockpit with high coamings and side lockers.

Steering: Transom-hung rudder controlled by a tiller.

Steering: Transom-hung rudder controlled by a tiller.
