Regal 2150 now in the online auction. everyone can bid until 21 September 2026.

Regal 2150 sporty cuddy cabin boat

what makes this Regal 2150 attractive?

this 1998 Regal 2150 is a stylish and powerful cuddy cabin motorboat with a sporty character. she combines onboard comfort with convincing performance on the water. with a length of 6.40 metres, a beam of 2.50 metres and a shallow draft of approximately 0.40 metres, the boat is suitable for a wide variety of Dutch waterways. think lakes, recreational lakes, rivers, canals and ditches. including the extended swim platform, she measures approximately 7 metres.

the Regal 2150 is built in polyester, a material that is practical to use and easy to clean. her layout makes her appealing for both day trips and short stays on board. thanks to the cuddy cabin, sleeping accommodation, table and refrigerator, she offers more possibilities than a standard speedboat. the complete cockpit tent also provides shelter in changeable weather and increases the usable living space in the cockpit.

Regal 2150 now in the online auction. everyone can place a bid until 21 September 2026.

which engine powers the Regal 2150?

the boat is powered by a 2013 MerCruiser 5.7 V8 inboard engine. this eight-cylinder petrol engine produces 250 hp and has approximately 540 operating hours. she starts electrically and has a closed cooling system. during use, the Regal 2150 reaches a stated maximum speed of approximately 69 kilometres per hour, making her suitable for sporty cruising, waterskiing and wakeboarding.

her engine compartment is equipped with an LPG installation with two separate tanks. the LPG inspection has expired. this is an important point of attention for the new owner and requires inspection and, if necessary, re-certification before the installation is used again. in addition to LPG, the MerCruiser runs on petrol. the engine is operational and the boat is equipped with, among other things, a fuel tank gauge, oil pressure gauge, temperature gauge and rev counter. a new starter motor is also listed.

is this boat suitable for water sports?

yes, the Regal 2150 is clearly designed with sporty cruising in mind. her wakeboard tower gives the boat a distinctive appearance and provides a practical attachment point for wakeboarding. the racks can be used to carry water sports equipment. the extended swim platform makes it easier to get back on board after swimming, wakeboarding or waterskiing.

thanks to the powerful MerCruiser V8, she accelerates quickly and reaches speed comfortably. at the same time, there is still room for relaxed cruises with family or friends. the combination of a sun deck, spacious cockpit and cuddy cabin makes the Regal versatile. she can therefore be used both as a sporty speedboat and as a comfortable day boat.

what is the onboard living space like?

the Regal 2150 has a practical cuddy cabin with sleeping accommodation. this provides shelter during an overnight stay or a rest break during the day. there is a table in the cockpit, making it easy to arrange lunch or drinks on board. the refrigerator adds to the comfort during longer cruises.

the complete cockpit tent provides protection from rain and wind. when set up, it creates additional covered space in the cockpit. in sunny weather, the tent can be opened and the sun deck comes into its own. the boat cover has been renewed and helps protect the interior and upholstery outside the boating season.

which electrical facilities are available?

various electrical facilities are available on board. the Regal is equipped with a battery charger, alternator, inverter, voltmeter and solar panel. one battery is present. these facilities support the use of the lighting, equipment and other onboard systems, while the condition of the battery and the installation can be assessed by the buyer.

the lighting at the front of the boat does not always work. the gauge for the height of the outdrive is also not working. the trim tab on the port side is not functioning either. these points have been clearly stated so that interested parties can form a realistic picture of any work that may still be required.

what is important to know before viewing?

the boat is in used but tidy condition and was last

taken out of the water for maintenance in 2026. no recent antifouling treatment has been mentioned. a buyer is advised to carefully inspect the hull, underwater hull, propulsion system, electrical systems and upholstery during the viewing. the LPG installation also requires extra attention due to its expired inspection.

the Regal 2150 is offered without a trailer. her dimensions and weight therefore require suitable facilities for transport, storage and launching. the stated displacement is approximately 1,451 kilograms. thanks to her wide range of uses, she is suitable for anyone looking for a sporty motorboat for recreational cruising, water sports and short stays.

who is this Regal 2150 suitable for?

this speedboat is of interest to a buyer who appreciates the appearance and handling characteristics of a Regal, but also needs a cabin and additional comfort. she is suitable for enthusiastic water sports enthusiasts, families and lovers of weekends on the water. the current owner has used her since 2019 for pleasure cruises, weekend getaways and as a wakeboard boat.

the combination of her MerCruiser 5.7 V8, wakeboard tower, sun deck, cuddy cabin and cockpit tent makes the Regal 2150 highly versatile. she offers space for relaxing days on the water, sporty activities and short overnight adventures. the current owner's planned round-the-world voyage is the reason for the sale. through BoatAuction, a new owner has the opportunity to give this characterful Regal 2150 its next chapter.
