RANGE BOAT 39 IN NUC (COMPANY WITH BERTH) OR PLEASURE BOATING

For sale: 2008 Range Boat 39, in very good overall condition and benefiting from regular maintenance carried out by a professional.

Designed by Nigel Irens, this Range Boat 39 stands out with its elegant and distinctive line, its large cockpit, its generous volumes, and its particularly pleasant onboard circulation.

It is equipped with a 200 HP Nanni Diesel engine, replaced in 2023, with approximately 3,000 hours, and shaft drive transmission.

Currently operated as a NUC €“ Commercial Use Vessel, the Range Boat 39 represents a particularly interesting opportunity for a professional. It can be sold with the company that operates it, which also holds the berth currently occupied by the boat.

This configuration thus allows for the takeover of a complete package: boat + operating company + port berth, particularly suited for sea excursions, tours, private outings, or tourist services.

This Range Boat 39 will also be perfect for a pleasure boater looking for a characterful, spacious, robust, and meticulously maintained motor yacht.

A rare unit on the market, suitable for both professional activity takeover and pleasure boating use.

Full documentation, information, and visits available upon request. More details and pictures on xboat.uk
