Jeanneau Sun Odyssey 43 ? 2003
Bluewater Cruiser, Liveaboard ? Ready to Set Sail
For sale: a 2003 Jeanneau Sun Odyssey 43, equipped for offshore cruising, long-distance sailing and liveaboard life.
This sailing yacht offers a comprehensive and coherent setup for autonomous cruising, including solar power generation, recent lithium batteries, a stern arch with davits, extensive navigation and safety equipment, several sail combinations, two anchoring systems and complete protection equipment for life on board.
Over the years, the boat has benefited from numerous upgrades and improvements, including replacement of the keel bolts, seacocks, standing rigging and PSS shaft seal. Routine maintenance is up to date, including antifouling, engine servicing and the usual inspections.
A yacht ready for a new sailing project.
