Oudhuijzer 530 for Relaxing Days on the Water

What kind of boat is the Oudhuijzer 530?

The 2009 Oudhuijzer 530 is a compact polyester boat for relaxing day trips on lakes and rivers. She is 5.30 metres long, 2.15 metres wide and has a draft of approximately 50 centimetres. Thanks to her manageable dimensions, the boat is suitable for anyone who enjoys going out on the water in comfort without needing a large vessel.

This Oudhuijzer is arranged as a family boat with a cosy wraparound seating area and sufficient space for passengers. The available headroom also makes her practical for families with children. The boat also offers several storage options, giving loose items a designated place during a day on the water.

Oudhuijzer 530 now in the online auction.

Everyone can place a bid until 19 October 2026.

What is the layout on board?

On board, she has a spacious open cockpit with wraparound seating. The seats are fitted with a sturdy fabric cushion set that comes with the boat. A sun deck is available for sunny days, allowing you to use her in different ways. The cockpit table can be used for a picnic, a short break on the water or a relaxing moment on board.

The steering console is positioned outside and is equipped with a large wooden steering wheel. The controls are operated via a luxury Vetus throttle. The boat also has various storage compartments, thick rope fendering and stainless-steel cleats. These features give her a practical and classic appearance suited to recreational day boating.

What engine does she have?

The Oudhuijzer is powered by a single petrol Mercury engine. The engine produces 10 hp and is electrically started. According to the available information, the engine is operational and the functions present are working properly. The engine is suitable for calm recreational use on lakes and rivers, in line with the boat's original purpose for enjoyable days on the water.

The last time the boat was taken out of the water for maintenance was in 2025. As with any used boat, it is advisable to pay attention to the engine, controls, electrical system and the overall condition of the vessel during the viewing day. This will allow you to form your own impression of her condition and specifications.

What is included with the boat?

Various practical accessories are included with the Oudhuijzer 530. She has a cover, a sun deck, a flagpole holder, a swimming platform and a swimming ladder. Fenders, lines and an anchor are also included. For mooring, the boat has thick rope fendering and stainless-steel cleats.

The fuel system consists of a 12-litre petrol tank. The exterior decorative cushions, cockpit table and sturdy fabric cushion set are also part of the equipment included.

Who is this boat suitable for?

This Oudhuijzer 530 is suitable for you if you are looking for a manageable boat for short trips, relaxing afternoons and family use. Her spacious seating arrangement provides room for several passengers, while the headroom makes staying on board practical. The combination of an open cockpit, sun deck and swimming ladder makes her suitable for recreational use on warm days.

The boat has been used on lakes and rivers for enjoyable day trips on the water. She is therefore not an extensive cabin boat for longer stays, but a practical open boat for spending time on the water. Her dimensions also make her easy to handle for anyone looking for a relatively compact boat.

What should you look out for during the viewing day?

During the viewing day, you can inspect the Oudhuijzer 530 at your leisure. Pay attention to the polyester hull, the finish of the deck, the cushions, the rope fendering and the condition of the cover. You can also assess the layout, steering console, engine compartment and the accessories included.

The viewing day is the ideal opportunity to inspect her specifications and overall condition yourself. Take the time to check whether the boat meets your requirements and suits the use you have in mind.

Is this an interesting choice as a used boat?

People looking to buy a used boat

often look for a combination of practical features, a well-arranged layout and suitable engine power. The Oudhuijzer 530 offers this combination in a compact format. She has an open family layout, a 10 hp Mercury engine, wheel steering and several accessories for use on and around the water.

When you are considering buying a boat, dimensions, maintenance history, engine performance and the equipment included can be important points to consider. This boat was last taken out of the water for maintenance in 2025 and is offered with, among other things, a cover, cushions, lines, fenders and an anchor.

If you are looking for tips on buying a boat, it is wise to think in advance about the area where you will be boating, the number of passengers and how you intend to transport her. The Oudhuijzer 530 is mainly intended for relaxing day trips on lakes and rivers. Thanks to her dimensions and layout, she may be an accessible choice for you and your family if you are looking for a used recreational boat.
