<p>XBOAT ref: 5856.

The owner states:

"This AntarÃ¨s 560 from PÃªche Promenade is a serious alternative to the Open hull, offering more living space.

The cabin of this AntarÃ¨s 560 features clever layouts and provides exceptional comfort for a boat of this size.

It allows for pleasant navigation in all seasons and with safety.

Its Suzuki 70hp outboard engine is known for its reliability.

It has few hours of use and is maintained by a professional.

Its weight of approximately 1.1 tons and width make it easy to transport on a trailer." More information and photos are available on the website xboat.fr</p>
