Remarks :
2007 Azimut 46 Flybridge - a boat that needs no introduction to anyone who knows the marque. Clean Mediterranean lines, a flybridge built for long summer days, and the kind of interior volume that makes a 14.65m feel considerably larger below. Twin Volvo diesels with just 810 hours each. VAT paid. Ready to go. Below, she sleeps six across two guest cabins and a crew cabin, with a head for each. The layout is practical without being cramped - this is a boat you live aboard, not just visit. She's currently lying in Portimão, Portugal. CE certified.
