Comments:

The Linssen 442 SX is built of steel, giving it great strength and durability.

Its classic and refined design is characterized by flowing lines and meticulous workmanship, typical of Linssen yachts.

Inside, the Linssen 442 SX offers a spacious and well-appointed living space. It generally features a comfortable saloon, a fully equipped galley, and several sleeping cabins.

The materials used for the interior are of high quality, creating a warm and welcoming atmosphere.

The boat is designed to maximize exterior comfort, with a spacious deck and relaxation areas.

The flybridge (upper deck) offers panoramic views and an ideal space for relaxing or cruising.

The Linssen 442 SX is equipped with powerful engines that allow it to reach good cruising speeds while providing stable navigation.

Its hull is designed for excellent seakeeping, making it a reliable choice for cruising at sea or on rivers.

In short, the Linssen 442 SX is a motor yacht that combines elegance, comfort, and performance, ideal for those seeking a premium sailing experience. More details and pictures on xboat.uk
