#### Comments:

The Linssen 442 SX is built in steel, giving it great robustness and durability.

Its classic and refined design is characterized by sleek lines and a careful finish, typical of Linssen yachts.

Inside, the Linssen 442 SX offers a spacious and well-arranged living space. It generally includes a comfortable saloon, a fully equipped kitchen, and several cabins for sleeping.

The interior materials are high quality, creating a warm and welcoming atmosphere.

The boat is designed to maximize comfort outdoors, with a spacious deck and relaxation areas.

The flybridge (upper deck) offers panoramic views and an ideal space to relax or navigate.

The Linssen 442 SX is equipped with powerful engines allowing good cruising speeds while providing stable navigation.

Its hull is designed for excellent sea handling, making it a reliable choice for cruises at sea or on rivers.

In summary, the Linssen 442 SX is a motor yacht combining elegance, comfort, and performance, ideal for those seeking a premium boating experience.
