Electric stove : No
Washing machine : No
TV antenna : No
SAT-TV : No

Various

Broker Remarks
The Beneteau Oceanis 411 Celebration is widely regarded as one of Beneteau's most successful cruising yachts, combining excellent sailing performance with spacious accommodation and proven offshore capability. Designed by Groupe Finot, the Celebration edition benefits from the taller performance rig and upgraded specification, making it one of the most desirable versions of the Oceanis 411.

This particular example has been extensively upgraded by her current owner with no expense spared. Major improvements include replacement standing rigging (2021), Coppercoat antifouling renewed in 2023, comprehensive Victron electrical upgrade (2024), B&G navigation electronics, AIS transponder with WiFi, Dometic air conditioning, Flexofold folding propeller (2025), new duplex shaft (2025), upgraded Volvo Penta D2-55 installation and numerous mechanical and cosmetic improvements.

Presented in true turnkey condition, she is ready for immediate cruising and would make an excellent choice for Mediterranean sailing or extended offshore passages.

Accommodation
Layout

3-cabin version
Forward owner's cabin
Two aft double cabins
Convertible saloon table providing additional double berth
Two heads

Saloon

U-shaped saloon
LED interior lighting (2023)
