Broker Remarks
Enigma – Trailer Sailer
Enigma is a well-maintained GRP trailer sailer with water ballast and a swing keel. Owned by the current owner since October 2015, she has had three previous owners.
She was freshwater sailed until 2020 and has been dry-berthed at Largs Yacht Haven since then, while still being sailed regularly.
She is only being sold as the owner is upgrading to a larger boat. Enigma will be packed down for winter in mid-October.
