Broker Remarks
This new Sun Odyssey 385 offers a deck designed to be as enjoyable while cruising as at anchor. Each living space has been designed to combine smooth, efficient handling, safe movement, and ease of life on board. Wide, walkaround sidedecks, without backstays, as well as clearly defined areas for line handling and for relaxation, ensure a safe, easy flow of movement about the boat. The inviting cockpit benefits from high seatbacks, affording excellent support while cruising and remarkable comfort at anchor. Designed as a true living space, for shared moments at sea as well as taking full advantage of stopovers. The interior is easily accessed, with only three steps, an extension of the boat's concept, where every detail contributes to making life on board smoother, safer, and more enjoyable.
PART EXCHANGE AND FINANCE AVAILABLE

Accommodation
The saloon as well as the chart table with rounded facing seating favours conversation, while the versatility of living spaces, storage, and lighting make daily life on board simple and practical. Guest cabins offer true comfort for rest, with natural lighting and a view of the sea upon waking, a magical pleasure for each guest to savour. The owner's cabin is equipped with a large rectangular berth and generous storage. Our four layout configurations and a selection of wood finishes enable you to personalise the space according to your preferences. Each detail has been designed to offer an inviting, comfortable environment that is well considered for daily life on board.
