Broker Remarks
This Hanse 461 is a striking example of a well cared for performance cruiser, combining German build quality with the renowned Judel/Vrolijk hull design. Privately owned from new and never chartered, she presents in excellent condition with a long list of recent upgrades in 2025, including solar, canvas, lighting and servicing. With her powerful sail plan, deep lead bulb keel and twin wheels, she offers rewarding sailing performance while remaining easy to handle for a couple.
The sought-after two-cabin owner's version provides generous living space, ideal for extended Mediterranean cruising with family and friends. Her spacious saloon, finished in elegant cherry wood with leather upholstery, feels bright and welcoming, while the large cockpit with full teak decking is perfectly set up for relaxed entertaining at anchor or in harbour.
Significant recent investment, including bow thruster servicing, new Sunbrella canvas, LED lighting upgrades and a new Quick hot water boiler (July 2025), ensures she is fully prepared for the coming season. This is a yacht that offers both performance and comfort, with minimal fuss and immediate cruising potential.
Highlights Listed below but included in Full Specs:
• Privately owned from new – never chartered
• Judel/Vrolijk performance hull design
• Two-cabin, two-heads owner's layout
• Max Power VIP 150 retractable bow thruster
• Victron solar panels with MPPT (2025)
• New Sunbrella bimini and stackpack (July 2025)
• 25kg Mantus anchor with 100m chain (2023)
• Engine, gearbox and bow thruster serviced (2025)
• Ready for Mediterranean cruising
BROKER'S REMARKS
This Hanse 461 offers an excellent balance between rewarding sailing performance and genuine cruising comfort. The twin-wheel cockpit is spacious and secure, making her ideal for relaxed days under sail and long evenings at anchor. The two-cabin owner's layout provides privacy and generous storage, well suited to extended stays aboard.
Her recent upgrades and careful private ownership set her apart. With key systems serviced in 2025, new solar installation and updated canvas, she represents a straightforward purchase for anyone seeking a capable, well-presented yacht ready to cruise the Mediterranean without delay.
