Broker Remarks
Built by Westerly Yachts Ltd in 1993 and designed by Ed Dubois, this yacht combines classic British craftsmanship with proven offshore capability. She has been extensively upgraded and well-maintained, making her a reliable and comfortable cruiser.
The GRP hull and cast iron fin keel provide strength and stability, while the refurbished teak decks (2021)
Powered by a Volvo Penta MD2003 with new engine mounts (2022) and a replacement saildrive seal (2023), she delivers dependable performance under power.
Her electrical system has been modernised with a Victron charger (2020), new alternator (2022), and an overhauled wind generator (2023), providing efficient off-grid capability. The standing rigging (new 2020) and new genoa (2020), combined with in-mast furling and a Furlex headsail system, make her easy to handle and ready to sail.
Below deck, she offers comfortable accommodation for up to nine, featuring two private cabins, a spacious saloon, and a well-equipped galley. The warm teak interior, ample stowage, and practical layout make her ideal for extended cruising.
Additional highlights include new canvas work (2025), Lofrans electric windlass, comprehensive safety equipment, and recent servicing throughout.
A well-presented and thoughtfully upgraded example of this sought-after Westerly design, ready for coastal cruising or long-distance adventures.

Accommodation
Accommodation:
Sleep up to 9 in two cabins and the saloon
Double V berth forward cabin
Heads aft of the forward cabin to port
Saloon with C-shaped seating to port (converts to a double berth, bench seating to starboard (single berth)

Built by Westerly Yachts Ltd in 1993
Designed by Ed Dubois
GRP hull deck & superstructure
Cast iron fin keel
Wheel steering (STEERING CABLE REPLACED 2021)
Spade hung rudder
All skin fittings & seacocks replaced with bronze hardware (NEW 2020)
Teak laid decks (REFURBISHED 2021)

HIN Number: SOU311038/1
Sail Number: OR52
Yard Number: P207
Registration Number: SSR61316

Mechanics:
Volvo Penta MD2003 diesel engine
Engine mounts replaced in 2022
Single lever morse engine control
Saildrive transmission (SEAL REPLACED 2023)
Three-blade aluminium fixed-pitch propeller

Electrics:
3 x 12V, 125Ah service batteries
12V, 50ah engine start battery (NEW 2021)
Isolator switch (NEW 2020)
BEP voltage sensative relay
Charging from a Victron Blue Energy 12v 30amp mains-powered battery charger (NEW 2020)
Charging from Air marine wind generator (OVERHAULED 2023)
Solara charge controller
150w invertor
Charging from 100 amp engine alternator (NEW 2022)
230V shorepower system
Cable deck glands replaced in 2020

Tankage:
Freshwater capacity 320 litres in 2 x stainless steel tanks
Fuel capacity 170 litres in a single stainless steel tank

Water System:
Pressurised water
Hot & cold water from calorifier with an immersion heater

Rigging:
Kemp aluminium spars & spinnaker pole
Double spreader masthead rig

© yachtadvert.com 2026

Stainless steel standing rigging (NEW 2020)
Terylene running rigging
In mast furling mainsail system
Furlex 300S genoa furling system (serviced 2012)
Lines led aft to the cockpit

Sails:
Mainsail by Goacher Sails
Furling genoa by Sanders Sails (NEW 2020)
Cruising chute by Jeckels Sails
Trysail by Goacher Sails

Inventory
Navigation Aids:
In The Cockpit;
Autohelm depth
Autohelm speed/log
Autohelmwindspeed & direction
Autohelm repeater
Raymarine ST 6001 autopilot control head
Raymarine type 1 autopilot ram
Steering compass (NEW 2021)

At The Chart Table:
Raymarine C120/W chartplotter combined with radar (NEW 2012)
Raymarine AIS (NEW 2014)
Garmin GPS 152
Autohelm multi repeater
Clipper navtex
Icom M120 DSC, VHF radio

Ground Tackle:
Lofrans electric anchor windlass
35lbs CQR anchor 45m of 10mm chain
10kg bruce, kedge anchor with chain & warp
20kg stainless steel anchor
Double stainless steel bow roller

Deck Gear:
Lewmar 46 self-tailing, two-speed sheet winches
Lewmar 30, self-tailing, two-speed halyard winches
Lewmar 16, self-tailing, two-speed furler winch
Genoa tracks with adjustable cars
Stainless steel pulpit, pushpit, stanchions & boarding ladder
