Various

Broker Remarks
This 2018 Bavaria C50 Style is a privately owned and exceptionally well-maintained sailing yacht, located in Bodrum and flying the Turkish flag. Designed for both performance and comfort, she features a 3-cabin / 3-head layout plus a separate skipper cabin in the bow.
This yacht stands out with an extensive list of premium upgrades including a Fischer Panda generator, 350 L/h watermaker, lithium battery system, full teak deck, air conditioning, and a powerful solar setup. The sail plan includes a fully battened mainsail, furling system, and self-tacking jib for easy handling.
Equipped with advanced B&G navigation electronics, bow thruster, electric winches, and a large hydraulic swim platform, she offers both effortless sailing and luxury onboard living.
Used only by her owner and never chartered, she is presented in excellent condition and ready for her next owner.

Accommodation
This Bavaria C50 Style offers a spacious and comfortable layout with 3 double cabins and 3 heads, each equipped with separate shower facilities. The forward section includes a dedicated skipper cabin with its own berth and WC.
The saloon is bright and modern, featuring a convertible dining table that can be transformed into an additional sleeping area if required. High-quality finishes, leather upholstery and ambient LED lighting create a warm and inviting atmosphere throughout the yacht.
The galley is fully equipped with dishwasher, microwave, oven, fridge and freezer, making it ideal for extended cruising. Air conditioning and heating systems ensure comfort in all seasons.

Mechanical and Rigging
Powered by a reliable Yanmar 80 HP engine with approximately 800 hours, this Bavaria C50 Style is equipped with a sail drive system for efficient performance. She

features a bow thruster for easy manoeuvring and a 3-blade folding Max Prop propeller.
The rig is a sloop configuration with aluminium mast and double spreaders. Sail handling is simplified with a furling mainsail, furling genoa and self-tacking jib. The yacht is equipped with electric winches and a hydraulic boom vang (Rodkick), ensuring safe and effortless sail control.
