Beneteau Oceanis 54 Elegance – 2012
Exceptional Family Cruiser • ZF Dock & Go • Solar • Recent Upgrades
“La Licorne” is a beautifully presented Beneteau Oceanis 54 Elegance (2012) — a highly desirable blue water cruiser combining comfort, performance, and effortless manoeuvrability. The Elegance trim elevates the interior finish, while the sought after ZF Dock & Go system transforms close quarters handling, making this yacht ideal for families, couples or owners transitioning to larger yachts.
This example is well equipped, thoughtfully upgraded, and benefits from recent maintenance, including new batteries (2023–2025) and fresh antifoul/anodes in March 2026. With a spacious 3 x cabin layout plus captain's cabin, solar power, and a robust equipment list, she is fully prepared for Mediterranean cruising.

Accommodation
The Oceanis 54 Elegance is renowned for one of the most successful interior layouts Beneteau ever produced — a blend of modern styling, intelligent ergonomics, and genuine long term liveaboard comfort. The Elegance trim package elevates the yacht far above the standard Oceanis finish, giving the interior a warm, contemporary, boutique hotel feel.
<h3>Bright, Contemporary Saloon</h3>
The saloon is a standout feature, with large hull windows and overhead skylights that flood the space with natural light. The Elegance package enhances this with upgraded woodwork, premium upholstery, and refined lighting. A spacious U shaped settee and additional bench seating create a welcoming social hub, while the saloon table converts into a double berth, ideal for guests.
<h3>Owner's Suite: A Private Retreat</h3>
The forward owner's cabin offers a full island berth, excellent storage, and a private en suite with separate shower. Hull windows bring in natural light and sea views, creating a calm, luxurious retreat for extended stays aboard.
<h3>Guest Cabins</h3>
Two generous aft cabins provide full size double berths, excellent headroom, and good ventilation from multiple opening ports. They share a spacious day head, making them ideal for family or visiting guests.
<h3>Captain's Cabin</h3>
A dedicated single captain's cabin forward offers flexibility — crew accommodation, storage, or a workshop space that keeps gear out of the main living areas
