3 double cabins, convertible saloon, 2 bathrooms, electric toilets, indoor and outdoor kitchen,
up-to-date maintenance (2024 invoices available upon request),
tactile multifunction screen RAYMARINE E120W, AIS 500,
2 refrigerators, ice maker,
32" detachable LED TV in the saloon + DVD player + BOSE speakers, 22" LED TV + MP3 DVD player in the owner's cabin,
forced air heating, generator, bow thruster, complete rear enclosure, cockpit and teak deck, tender garage...

Designed for efficiency and speed, the hull of the Monte Carlo 47 Fly has been specially developed by its manufacturer to optimize the performance of the IPS system (Volvo Penta). This technological choice offers unique advantages: power of the PODs, optimized consumption, comfort, space saving, flexibility, and maneuverability of the boat, controlled by the joystick that simplify port maneuvers to the extreme.

The MONTE CARLO 47 FLY can accommodate up to 14 passengers.
Its cruising speed is 18 knots, its maximum speed is 28 knots (manufacturer's source).
Comfort, habitability, and pleasure are the key words of this unit with lines as sleek as they are elegant that opens the doors to luxury. The Monte Carlo 47 was born from a dream, that of a boat with a delightfully Mediterranean temperament and a more glamorous appearance than ever.
