Broker Remarks
BENETEAU OCEANIS 51.1 – 2021 | PRIVATE YACHT | FIRST LINE ALU PERFORMANCE
A particularly well-specified Beneteau Oceanis 51.1, combining the generous space and comfort of her Nauta-designed interior with the enhanced sailing capabilities of Beneteau's First Line Alu Performance package.
Privately used since new and never chartered, ARUBA has been configured for owners seeking both rewarding sailing performance and comfortable cruising.
Her performance specification includes a tapered Z Diffusion aluminium mast approximately 1.5 m taller than the standard cruising rig, Dyform standing rigging, hydraulic backstay, upgraded Dyneema running rigging, German mainsheet system, Harken Performa winches and a reinforced bowsprit.
Performance Sail Inventory: An extensive Quantum Sails inventory comprising a tri-radial Pentex mainsail (63 m²), a 115% tri-radial Pentex furling genoa (72 m²), a 203 m² A2 asymmetric spinnaker with ATN sock and a 133 m² Polyester/Kevlar Code 0.
Together, the First Line Alu rig and performance sail wardrobe make ARUBA an attractive choice for sailors looking for a more performance-oriented Oceanis 51.1 without compromising the comfort and practicality of a modern cruising yacht.

KEY HIGHLIGHTS
2021 Beneteau Oceanis 51.1 | First Line Alu Performance | 3 Cabins + Crew Cabin | EU VAT Paid

Privately used since new – never chartered

Spanish-registered – EU VAT Paid

Deep-draft cast-iron keel (2.36 m)

Accommodation
ARUBA features the desirable three-cabin owner's layout, offering generous accommodation for six guests, complemented by a separate forward crew cabin.
The spacious owner's suite forward features a centreline island double berth, while two comfortable double cabins aft provide additional accommodation for family and guests.
The bright, contemporary Nauta Design interior combines generous headroom, excellent natural light and the spacious proportions of the Oceanis 51.1's wide-beam hull.
Interior highlights:

Three double cabins plus a separate forward crew cabin
