Various

Broker Remarks
The 2020 Bali 4.3 is a highly desirable mid-size cruising catamaran. Its distinctive "Open Space" design and solid forward cockpit delivers an abundance of comfort for entertaining and liveaboard volume. The 2020 model represents an excellent blend of modern features without the premium cost of a brand-new vessel. The 4-cabin layout specifically targets the large family / entertaining cruising markets.
The "Bali Open Space" Concept
This is the Bali 4.3's strongest selling point. The seamless integration of the salon and cockpit, achieved via the innovative tilting garage door-style transom, creates a massive, singular living area. This feature maximizes volume, light, and ventilation.
Solid Foredeck and Forward Cockpit
Unlike traditional trampolines, the solid composite foredeck provides a secure, all-weather lounging area. The integrated forward cockpit with table and sun pads offers an unparalleled social space, often cited by buyers as a primary reason for selecting the Bali brand.
Autonomy and Self-Sufficiency
Bali is known for equipping its vessels for extended autonomy, including robust tankage capacity and large refrigerator/freezer space (the "American fridge"). For cruisers looking to minimize shore stops, this is a significant advantage.
Engines and Maintenance
She is equipped with 2 x 57hp Yanmar 4JH57 and saildrives. Serviced and saildrive oil seals replaced every year by Yanmar engineers. We have copies on file.
Key features of this Bali 4.3
Included is safety equipment for 10 persons: life raft, automatic life vest with belt. The most recent service renewal of the life raft occurred in March 2024.
Anchoring kit: Quick anchor windlass 1000W, 70 mt. of chain d.10mm (marked each 10 mt.), anchor 25 kg
Instruments Raymarine: AXIOM chartplotter 7", autopilot, tridata, VHF
Electric tilting door
1 x electric winch
Two inverters: one 2000Kva unit specifically for services such as sockets, microwave, and heater, and another solely dedicated to the American double-door fridge/freezer
Two solar panel 100W/each with Victron electronic charge box
Seawater tap located at the kitchen sink
Water maker SCHENKLER 12Volt, 100 lt/h, installed in 2023
Dinghy is semi-rigid Arimar 320, year 2024
Outboard engine: HIDEA (brand of Yamaha) 9,9hp - 4 stroke, year 2021 with external fuel tank 12 lt.
