<h2>BENETEAU OCEANIS 40 CC for sale</h2><p>

I am selling my sailboat BENETEAU OCEANIS 40 Cockpit Central from the 1998 offering very beautiful interior volumes.

</p><h2>Interior arrangements</h2><p>

In 2 cabin version, the OCEANIS 40 CC has a magnificent owner's cabin, a well-equipped long kitchen with pressurized water, double basins, stove, a large fridge and many equipments that facilitate storage. The fresh water capacity is 500 liters. Two bathrooms with marine toilet and shower. A very pleasant convertible saloon with 1.90m headroom, perfectly adapted for beautiful navigations and life on board.

</p><h2>Engine and electronic equipment</h2><p>

This sailboat from the BENETEAU shipyard, model OCEANIS 40 CC, also has a 60 HP VOLVO engine and a bow thruster. Complete electronic equipment with RADAR, VHF, GPS tracker, depth sounder, autopilot and wind vane anemometer.

</p><h2>Additional equipment</h2><p>

This OCEANIS 40 CC is equipped with 2 solar panels of 100 W on stainless steel arch, a Bimini and roof cover. A 12/220V battery charger, 3 gel service batteries of 170 AH, 1 thruster battery, 1 engine battery.

</p><h2>Sails and navigation</h2><p>

Regarding the sails, the Main sail on furler and the Genoa on furler changed in 2013. The OCEANIS 40 CC from the BENETEAU shipyard with its secured central cockpit offers better protection at sea and increased comfort for long-distance navigation. Equipped with good stability and ease of maneuvering, even with a reduced crew with Main sail on furler and electric winch. Its solid and reliable hull is suitable for offshore sailing.

</p><h2>Comfort and marina berth</h2><p>

This sailboat from the BENETEAU shipyard will seduce you with its navigation qualities and interior arrangements. Marina berth available.

</p><h2>Why is this boat interesting to buy?</h2><p>

This OCEANIS 40 CC is particularly interesting to buy for several reasons. First, its spacious and well-equipped interior arrangements offer exceptional comfort for life on board. Moreover, its secured central cockpit and solid hull make it an ideal boat for offshore and long-distance sailing. The presence of a 60 HP VOLVO engine and a bow thruster adds valuable maneuverability. Finally, its complete electronic equipment and solar panels ensure

appreciable energy autonomy. More details and pictures on xboat.uk
