Various

<p>XBOAT ref :6029.

This boat is equipped with a new Mercury V8 250 HP engine under manufacturer's warranty.

The BEACHER V8 OPEN was designed for comfortable cruising.

Passengers can settle on the immense sunbathing area at the bow and share good times around the table.

The pilot is in a central position on the boat. He is backed by the bar, which allows him to be close to the passengers seated at the front or rear of the boat.

The boat's design allows for sailing in rough seas.

Its width provides good stability at anchor and allows everyone to gather comfortably around the table for lunch or dinner.

The kitchen bar includes a sink, a stove, a fridge, and the rear bench can accommodate 6 guests. More details and pictures on xboat.uk</p>
