<h2>DUFOUR 44 PERFORMANCE</h2><p>I am offering for sale my DUFOUR 44 PERFORMANCE, a performance-oriented and comfortable cruising sailboat, built in 2004. This model is particularly appreciated for its elegant design and functionality.</p><h2>Equipment and Amenities</h2>

- ROD Rigging 2023
- Offshore equipment with EPIRB beacon
- Bimini 2023
- 9-inch GPS from 2024
- 70,000 euros in bills over two years
- Carbon fiber steering wheel

<p>This cruising sailboat is designed to offer good stability at sea and good performance in a wide range of conditions. It is well-balanced, with a relatively deep keel, which allows for better maneuverability, particularly in strong winds. The construction is solid and the interior finish is of high quality.</p><h2>Design and Construction</h2><p>The cockpit is spacious, with easy access to all maneuvers. It is well designed to offer comfort and safety, with fairly wide benches and a cockpit that allows for easy movement on board. The exterior design of this boat well reflects the clean and modern lines characteristic of Dufour.</p><h2>Interior</h2><p>The interior of the Dufour 44 is one of the major assets of this model. With a good headroom and modern amenities, it can comfortably accommodate up to 8 people. The salon is bright and well laid out, with a functional kitchen. The cabins are spacious, and the bathroom, although narrow, remains practical and well equipped.</p><h2>Performance</h2><p>In terms of performance, the Dufour 44 is a good compromise between comfort and sportiness. This sailboat is pleasant to helm, and it responds well to the wind. Its speed is not the fastest among cruising sailboats, but it remains stable and reassuring at sea. The Dufour 44 can hold fairly tight sails and, with an experienced crew, it can perform over long distances.</p><h2>Why is this Dufour 44 interesting to buy?</h2><p>The Dufour 44 PERFORMANCE is interesting to buy for several reasons. First, it combines elegance and functionality, making it a comfortable and performance-oriented cruising sailboat. Additionally, it has been well-maintained with recent and high-quality equipment, such as the ROD rigging from 2023 and the 9-inch GPS from 2024. Finally, its spacious and modern interior design, as well as its good sea performance, make it an ideal choice for boaters looking for a boat that is both spacious and maneuverable.</p><p> More details and pictures on xboat.uk</p></p>
