DUFOUR 44 PERFORMANCE

I am offering for sale my **DUFOUR 44 PERFORMANCE**, a high-performance and comfortable cruising sailboat, built in **2004**. This model is particularly appreciated for its **elegant design** and **functionality**.

Equipment and Layout

- 2023 ROD Rigging**
- Offshore equipment** with EPIRB beacon
- 2023 Bimini**
- 2024 9-inch GPS**
- 70,000 euros in bills over two years**
- Carbon fiber steering wheel**

This **cruising sailboat** is designed to offer excellent stability at sea and good performance in a wide range of conditions. It is well-balanced, with a **relatively deep keel**, which allows for better maneuverability, especially in strong winds. The construction is sturdy, and the interior finish is of high quality.

Design and Construction

The **cockpit** is spacious, with easy access to all maneuvers. It is well-designed to offer comfort and safety, with wide benches and a cockpit that allows for easy movement on board. The exterior design of this boat reflects the clean, modern lines characteristic of Dufour.

Interior

The interior of the **Dufour 44** is one of the major assets of this model. With a generous headroom and modern layouts, it can comfortably accommodate up to 8 people. The salon is bright and well-organized, with a functional galley. The cabins are spacious, and while the bathroom is narrow, it remains practical and well-equipped.

Performance

In terms of performance, the **Dufour 44** is a good compromise between comfort and sportiness. This sailboat is a pleasure to helm, and it responds well to the wind. Its speed is not the fastest among cruising sailboats, but it remains stable and reassuring at sea. The Dufour 44 can handle tight angles, and with an experienced crew, it can perform over long distances.

Why is this Dufour 44 interesting to buy?

The **Dufour 44 PERFORMANCE** is interesting to buy for several reasons. Firstly, it combines elegance and functionality, making it a high-performance and comfortable cruising sailboat. Additionally, it has been well-maintained with recent and high-quality equipment, such as the 2023 ROD rigging and the 2024 9-inch GPS. Finally, its spacious and modern interior design, along with its good sea performance, make it an ideal choice for boaters looking for a boat that is both spacious and maneuverable.
