Lagoon 380 - Used Catamaran for Sale

Description

After 6 years of sailing in the Caribbean, I am returning to land. This Lagoon 380 catamaran, equipped with a complete inventory, has been pampered and regularly updated to ensure reliability and performance.

Navigation and Safety

This catamaran is equipped for high-end navigation and optimal safety. It features a Furuno WiFi radar (2021) connected to iPad/iPhone, Navionics charting on a tablet, and an integrated anchor alarm.

Instruments and Equipment

The recent Raymarine instruments include an anemometer, a sounder, a log, a tridata, and an autopilot for precise steering. The boat is also equipped with 1200W solar panels (2021) with a Victron Bluetooth MPPT, and new 600Ah lithium batteries in 2024.

Sails and Rigging

The automated sails and winches make this boat very easy to handle. It is equipped with a fully battened mainsail (2020) and a revised 75% genoa (2023). The lazy bag and lazy jack are new, and the rigging has been checked and partially renewed.

Engines and Mechanics

The Yanmar 3YM30 engines (~4000 h) are well maintained, with new sail-drives and articulations (2024). The pumps, starters, and critical parts have been recently changed.

Comfort and Practical Equipment

This catamaran features a new electric WC (2024) and a manual marine WC. It is also equipped with a rigid bimini (2024) and a recent trampoline (2023), as well as a filtered rainwater collector. The forward cabin is arranged for storage.

Why is this Lagoon 380 interesting to buy?

The Lagoon 380 is an exceptional catamaran, ideal for long cruises thanks to its complete equipment and rigorous maintenance. Its design and amenities offer optimal comfort for life on board, making it a safe choice for long-distance sailing enthusiasts.
