TV : Yes

Various

XBOAT ref :6086.

The owner states:

"This Flyer Gran Turismo 34 is equipped with a 140W solar panel.

As the entry-level model in the Express Cruiser range, the Gran Turismo 34 features a sleek design, meticulous finishes, and unparalleled handling thanks to its AirStep® hull.

The separate aft cabin enjoys a wide opening to the sea via the panoramic porthole.

This cabin offers a spacious volume, notably due to its maximum headroom of 1.94m.

At the bow, the traditional U-shaped saloon converts into a double berth, providing an additional sleeping area." More details and pictures on xboat.uk
