Motor Sailer Kufra Ketch ; Unique Opportunity

A custom-built Kufra Ketch from the renowned German shipyard Kufra Werft is now available. Renowned for its craftsmanship, durability, and timeless design, this yacht combines comfort and reliability with excellent sailing performance.

The yacht, registered under the Slovenian Flag, comes with CE Certification ; Category A (Ocean), confirming its seaworthiness for extended offshore passages. It is equipped with premium systems including Victron Energy, Mastervolt Charger Master 12V, Fisher Panda generator, solar inverter (220v), and high-quality Harken sailing gear, ensuring both safe handling and efficient energy management. The interior is spacious, elegantly designed, and beautifully preserved, ready for immediate use.

Over the last three years, significant maintenance and servicing of all major systems have been carried out ; including engines, anchor system, electrical installations, and sails. This ensures that the yacht remains reliable and ready to sail.

Some cosmetic work such as hull repainting and minor maintenance are needed, offering the new owner the chance to personalize the yacht to their taste.

Why This Yacht?

- Custom-built, unique model ; one of a kind on the market
 - Extensive maintenance and servicing completed in the last three years (engines, anchor system, electrics, sails)
 - Equipped with Harken sailing gear for safe and precise handling
 - Spacious, versatile layout ; ideal for long voyages, liveaboard, charter
 - Built by Kufra Werft, a name synonymous with quality and longevity
 - Excellent opportunity ; priced below market value due to motivated sale
