Kufra Ketch Motor Sailor â€“ Rare Bluewater Yacht at an Exceptional Price

Are you seeking a serious, ocean-capable yacht with character, pedigree, and outstanding value? This custom-built Kufra Ketch motor sailer, crafted by the esteemed German shipyard Kufra Werft, presents a rare opportunity for seasoned sailors and long-distance cruisers who appreciate true quality.

Renowned for top-tier German craftsmanship, robust construction, and timeless design, this yacht was engineered for safe and comfortable offshore passages. She offers stability, reliability, and excellent sailing performance across a wide range of conditions.

The vessel is registered under the Slovenian flag and certified CE Category A (Ocean), making her fully suited for demanding bluewater voyages. Thanks to her versatile layout and solid build, she is ideal for liveaboard use, extended ocean cruising, or even charter operations.

Equipment & Condition

The yacht is outfitted with high-quality, proven systems, including:

- Victron Energy
- Mastervolt Charger Master 12V
- Fisher Panda generator (ready for installation)
- 220V solar inverter
- Premium Harken deck hardware

The interior is spacious, bright, and well-preserved, offering a comfortable and secure atmosphere typical of a true ocean-going yacht. It also provides an excellent platform for further customization to suit the new ownerâ€™s vision.

Over the past three years, extensive refit work has been carried out on all major systems, including:

- Electrical installations
- Anchor system
- Rigging and sails
- Engine and related systems

In addition, a large amount of spare parts and additional materials is included, allowing future upgrades to be completed efficiently and cost-effectively.
