Various

For sale is a Bayliner 2155 CS from 1984, a classic and beautifully maintained motorboat that impresses with its timeless design and extensive modernization. In recent years, the boat has been thoroughly overhauled by a professional electrician. All electrical components, including lighting, outlets, switches, and wiring, have been replaced and brought up to modern standards. The result is a technically well-equipped vessel that is ready to use and offers both comfort and safety at a high level.

With an overall length of around 6.5 meters and a relatively low weight, the Bayliner 2155 CS is easily trailerable, perfect for those who value flexibility and want to explore various bodies of water. A suitable trailer is available as an optional purchase, allowing for easy transport and storage. The interior cabin is functional and cozy, providing comfortable overnight accommodation for two people. Thanks to the smart layout, this boat is suitable not only for day trips but also for weekend getaways or short boating holidays.

The Bayliner 2155 CS combines classic lines with modern features, making it an ideal boat for both newcomers and experienced boating enthusiasts. Whether you're looking to cruise leisurely, go fishing, or enjoy general recreational boating, this model offers great versatility and, thanks to its updated technical condition, is a reliable choice for anyone who values quality and functionality.
