<h1>Allures 44</h1><h2>Description</h2>Designed by architects Berret-Racoupeau and built at the Allures Yachting shipyard in Cherbourg, France, this 44-foot full-aluminum centerboarder has made a name for itself. It is the first model from the French shipyard Allures Yachting.<h2>Technical Characteristics</h2>The Allures 44 is a full centerboarder, with an aluminum hull and composite deck. This cruising boat is fast and powerful in rough seas, ideal for sailing in various regions of the world where the shallow draft allows access to anchorages inaccessible to most keelboats. Its deck plan, designed by Michel Desjoyeaux, is very simple to use.<h2>Conception and Use</h2>Its design was conceived from the outset to combine all the characteristics of a true cruising sailboat: aluminum, full centerboarder and dedicated technical area. The Allures 44 is designed for long-distance sailing with a reduced crew, with all maneuvers brought back to the cockpit.<h2>Interior Layout</h2>This Allures 44 is a version with 2 cabins. The cabins include numerous storage spaces, an aft head, and a spacious owner's forward cabin. The living space offers a headroom of over 2 meters, which gives it a real, comfortable and bright space designed for an enjoyable life on board in conviviality.<h2>Onboard Equipment</h2>The kitchen is equipped with a large fridge, a freezer and a spacious worktop ideal for real cooking on board. Its lengthwise design on the starboard side is perfectly suited for use while sailing as it is perfectly braced against the starboard settee of the saloon. The centerboard well is perfectly integrated into the interior layout, allowing for smooth circulation in the saloon and easy access.<h2>Navigation Options</h2>The owners have chosen numerous options for offshore sailing in autonomy and safety:

Watermaker

Solar panels of 510 W

6 batteries of 100 Ah from 2024

Converter and Victron charger from 2024

Generator

<h2>Embedded Electronics</h2>The embedded electronics are functional and coherent, entirely Furuno.<h2>Sail Wardrobe</h2>The sail wardrobe includes:

A main sail Incidences

< a strong>genoa Delta Voile type Vortex 67 mÂ² reaching

A trysail Incidence 35 mÂ²

A Code D, Delta Voiles 120 mÂ² on furler

A Gennaker Incidence 80 mÂ² on furler

<h2>Why is this Allures 44 interesting to buy?The Allures 44ideal for long cruises thanks to its energy autonomy and robust construction. Its rigorous maintenance and modern equipment make it a perfect choice for long-distance sailing enthusiasts. Its aluminum construction and deck plan optimized by Michel Desjoyeaux guarantee safe and comfortable sailing, even in the most demanding conditions.Moreover, its numerous equipment options, such as the watermaker and solar panels, allow for complete autonomy at sea, making it an ideal boat for extended maritime adventures.More details and pictures on xboat.uk
