Alex Simonis and the 47' Mayotte Trans World Cruiser : When Innovation Meets Performance

Alex Simonis, renowned naval architect, has been shaping the world of yacht design for decades, creating vessels that combine speed, efficiency, and comfort. His expertise in high-performance multihulls has given birth to revolutionary designs that excel both in racing and long-distance cruising.

The 47' Mayotte Trans World Cruiser, a masterpiece of Simonis' vision, is built for offshore sailing, offering exceptional stability, spacious accommodations, and cutting-edge technology. With an elegant hull design optimized for efficiency and speed, this catamaran is perfect for adventurers seeking luxury and reliability at sea.

Exceptional Comfort & Artisanal Craftsmanship

Spacious Living Areas : Four double cabins with private bathrooms offer high-end accommodation for family or crew.

Elegant Finishes : Entirely renovated interior with a modern design, completed by a Burmese teak deck.

Simplified Onboard Life : Equipped with induction cooktops, refrigerators, freezers, and a washing machine for long voyages.

Top-Notch Performance & Self-Sufficiency

Long-Range Capability : Easy sailing of over 180 nautical miles per day, designed for efficiency and speed.

Energy Independence : Solar panels, lithium-ion service batteries, high-capacity alternators, and a generator ensure uninterrupted navigation.

Advanced Navigation & Safety : Autopilot, radar, anti-theft alarm sensors, and a desalinator allow for complete autonomy at sea.

Optimized Sailing Experience

Versatile Sail Plan : Equipped with a new mainsail and genoa (2017), a gennaker, and a storm jib, ensuring superior performance in all conditions.

Diving & Maintenance Equipment €“ Includes an air compressor for hull and equipment maintenance, perfect for ocean exploration.

A turnkey cruiser for those ready to elevate their sailing experience €“ secure this world-class vessel today! More details and pictures on xboat.uk
