About the Afri-Cat 420 for Sale
I own an **Afri-Cat 420**, a **high-end motor catamaran** designed for both **cruising** and **serious offshore fishing**. Built by **Afri-Cat Marine**, a respected South African manufacturer, this vessel combines luxury and performance.

Design and Versatility
Designed by **Angelo Lavranos**, a leading naval architect, the **Afri-Cat 420** was initially intended for the international cruising market. However, its versatility and robust construction have made it a favorite among **sport fishing** enthusiasts. The vessel features a **spacious fishing cockpit**, **live bait wells**, and **Luna tubes**, ensuring an optimal experience for anglers targeting large pelagic fish.

Design and Equipment
With its **elegant design**, **superior maneuverability**, and **cutting-edge equipment**, the **Afri-Cat 420** is the perfect choice for those seeking adventure on the open sea. Whether for leisure or sport, this catamaran offers an unparalleled sailing experience.

Performance and Capabilities
Powered by two **Volvo Penta D6 engines** with 435 horsepower each, it offers exceptional long-range capabilities with a **cruising speed of 8 knots** and a **top speed exceeding 20 knots**. The efficient hull and a **fuel capacity of 2200 liters** ensure impressive range, while the **IPS600 joystick** facilitates maneuvering in tight spaces. Perfect for those seeking luxury and performance.

Location
My Afri-Cat 420 is currently located in the **Seychelles**, ready to sail in the crystal-clear waters of the Indian Ocean.

History and Evolution of Afri-Cat Marine Shipyard
The **Afri-Cat Marine** shipyard was founded in 2004 and quickly established itself as a leader in the construction of high-quality catamarans. The **Afri-Cat 420** model, designed by Angelo Lavranos, was introduced to meet the needs of the international cruising market. Its versatility and robustness quickly appealed to sport fishing enthusiasts, making this model a global success.

The shipyard continued to innovate, introducing models like the **Afri-Cat 455 Sport**, which further raised the standards of luxury and performance.

Why the Afri-Cat 420 is Interesting to Buy?
The **Afri-Cat 420** is interesting to buy for several reasons. First, its versatile design makes it perfect for cruising and sport fishing. Second, its robust construction and cutting-edge equipment ensure an unparalleled sailing experience. Finally, its 2200-liter fuel capacity and powerful engines offer impressive range, ideal for long sea adventures.
