Various

Remarks :

This Kliever 11 was built by KCS Marine production Ltd in Northfleet Kent. She was launched in the summer of 1980. She has been out of the water ashore at Swale Marina in Kent for approximately the last 15-20 years. An initial inspection of the hull looks to be good but she requires a complete internal fit out and some work is required to the rear steel deck. This yacht is being sold as seen.

Accommodation :

Inventory :

Welding generator

History and Construction

This steel hull was constructed in 1980 by KCS marine production Ltd based in Northfleet. She has had one owner from new but has been ashore at Swale Marina, Kent for between the last 15 - 20 years and has not been used.

This yacht is being sold as seen as a project .

Mechanical :

Mechanical Systems

This Kliever 11 is fitted with a 1979 Petter Mini twin 12 HP diesel engine. We understand that the engine was stripped down by the current owner approximately 10 years ago but has not been used since. we believe that part of the exhaust is missing..

Spars and Sails

Bermudian sloop with alloy mast on a tabernacle with a "a" frame to allow the mast to be raised and lowered

easily. Alloy boom. Battened mainsail with 2 reefs and a hank on self-tacking Jib with a long luff. Stainless steel standing rigging, age unknown.

Sails:

1 x Mainsail - Vectis 8.2 oz with two reefs

1 x No 1 Genoa, triple stitched seams

1 x No 2 Genoa with self-taking luff

1 x 200% Genoa

1 x Storm Jib
