Various

Remarks :

The ALOA 28 is a well thought out concept and an externely seaworthy small sailing yacht and is perfect for couples or a small family.The stern is redesigned from previous models and is more thinner and more straight. This ensures a better going against the waves and reduces the drum due to the increased buoyancy in the front.The new Yanmar engine has more horsepower and is more silence. The sail drive makes it easier to manoeuvre.

Accommodation :

Additional InformationMarine head

Double berth

Bench style seating

wardrobe with shelves
