## Various

**Remarks :**

The ALOA 28 is a well thought out concept and an extremely seaworthy small sailing yacht and is perfect for couples or a small family.

The stern is redesigned from previous models and is more thinner and more straight. This ensures a better going against the waves and reduces the drum due to the increased buoyancy in the front.

The new Yanmar engine has more horsepower and is more silence. The sail drive makes it easier to manoeuvre.

**Accommodation :**

**Additional Information**  
Marine head

Isotherm SP Fridge

Hot water

Double berth

Bench style seating

wardrobe with shelves

Sink with pressurised water

Hot water
