Dishwasher : No
TV : No

Various

Remarks :

This 33ft Swedish-built cruising sailboat is ready to take you anywhere in the world. The larger cousin of the famous "Folkboat," the Marieholm 33 was created with the North Sea in mind. Her 3,000-pound encapsulated Long Cast Iron keel helps her track well, even in heavy wind, and she offers an incredibly stable, smooth ride in rough seas. A self-tacking jib, in addition to a full genoa makes the boat easy to sail in rough weather. She is fast and responsive for a long keeler, even in lighter winds. In addition to her noteworthy sea-keeping abilities, her accommodation is roomy and comfortable for a 33-footer which berths 5 and has 6ft of headroom. This yacht is not common, and we recommend an early viewing.

Accommodation :

This yacht offers 5 berths in 2 cabins. Large V-berth forward with lots of under berth storage and hanging lockers. Saloon has a double berth with a quarter berth with lots of storage above and below. The forepeak also provides the space for the heads with marine toilet and washbasin. Hanging storage space is also provided to starboard in this forward area. Diesel cabin heating and a calorifier makes this boat feel very comfortable.

The linear galley to starboard has a stainless- steel sink, with hand pumped cold freshwater, 2 burner Nelson cooker with oven and grill and lots of storage space.

Inventory :

Deck Equipment:

 Main Anchor – 16kg with chain and warp Burgundy sail cover, with lazyjacks Burgundy sprayhood Mooring warps Fenders Gas bottle<div>Navigation Equipment:

 Autopilot – Raymarine Navtex – Clipper Fixed VHF – Icom DSC controller – Icom Chartplotter – Raytheon Radar – Raymarine Wind – Raymarine Speed – Raymarine Depth – Raymarine Compass - Silva Clock &barometer <div>Safety Equipment:
