Remarks :

This Absolute 45 from 2004 is an exceptional example of Italian design and performance. Measuring 13.70 meters in length and powered by twin Volvo Penta D6-310 engines with only 700 engine hours, this motor yacht combines efficiency, reliability, and sporty cruising. </p><p> Meticulously maintained and ready for immediate navigation , she is ideal for owners seeking both luxury and functionality. The spacious teak cockpit, hydraulic gangway, and a well-equipped bar unit with BBQ and fridge provide a perfect outdoor entertainment area, while the interior offers high comfort with 2 double cabins , each fitted with TV, a full galley including vitroc ceramic cooktop , microwave , and a large double-door fridge. </p><p> Electronics include Raymarine Plotter, radar, autopilot , and VHF with DSC. This yacht also features a tender garage with 7HP outboard , bow thruster , generator, inverter, and more. </p><p> Under the Spanish flag with VAT paid , this Absolute 45 presents a rare opportunity to acquire a turn-key vessel with a proven layout and outstanding seaworthiness. Early viewings are strongly recommended. </p>

Accommodation :

The Absolute 45 offers a refined and comfortable interior layout, with two well-appointed double cabins , both equipped with TVs and generous storage. The main cabin features an en-suite head and shower. The bright salon includes a dining area, a fully equipped galley, and entertainment systems such as a sound system and TV. </p><p> The interior is ideal for extended cruising or overnight stays, combining elegance and practicality. High-quality materials and clever layout make this yacht feel spacious and welcoming. </p>

Additional Notes:

This Absolute 45 is offered in immaculate condition, reflecting careful and consistent maintenance. A well-appointed yacht ideal for family cruising or entertaining guests, she represents an excellent opportunity to acquire a reliable and stylish motor cruiser.

Mechanical :

Powered by twin Volvo Penta D6-310 DP-H engines, each delivering 305HP, this Absolute 45 offers an excellent balance between power and fuel efficiency. With only 700 engine hours, the propulsion system is in excellent condition. Stern drives with dual propellers ensure smooth handling and precise control.

She features a bow thruster, inverter, generator, and a hydraulic steering system, providing both comfort and security underway. Ideal for coastal cruising or extended stays on board, the yacht is ready to go.
