She offers plenty of space for entertaining friends and family with an open-plan cockpit with the benefit of a wet bar with a fridge and a sink. She is powered by a Mercruiser 4.5L MPI which was BRAND NEW IN MAY 2021 and has done very few hours since installed. Inside the cabin you will find the galley on the port side, the heads are opposite, and the dinette can convert to make a double. The mid-berth has a double bed, spotlights, and a sliding window.
