Washing machine : No	Heater : No
TV antenna : No	Dishwasher : No
SAT-TV : No	TV : No

## Various

**Remarks :**

The **Jeanneau Sun Odyssey 439 Performance** is a striking and seaworthy cruising yacht designed by Philippe Briand, blending sleek lines, a hard chine hull, and a high-quality interior to deliver a fast yet comfortable sailing experience. With her performance sail package, bow thruster, and a spacious three-cabin, 2 heads layout, this 2013 model offers effortless handling and stylish living. Notable for her twin helm, fold-down transom, and recent upgrades including Raymarine hybrid touch navigation and solar gantry, she is equipped for both exciting passages and relaxed coastal cruising.

**Highlights Listed below but included in Full Specs:**

- Performance version with deep draft keel
- Mylar/taffeta X-Grid performance sails
- Raymarine HybridTouch navigation with AIS
- Bow thruster with 2 x AGM batteries (2024) charged by Victron DC/DC charger from main domestic bank.

Stainless steel solar gantry (August 2023) and 4 x solar panels. Max output 860 watts. The intelligent charging system means that the ships batteries can accommodate coffee makers, hair dryers and phone chargers without needing to be plugged into shore power, making her a good off grid boat.

Gantry also serves as high davits for ships tender, allowing stern too mooring with easy access under the dinghy to shore.

Sprayhood as new with older spare for winter cover. Bimini as new with older version a spare.

All deck hatches have blue covers with many spares. Winch covers in blue. Previous owners were marine canvas makers and she is very well supplied with various blue cloth such as spray dodgers etc.

Teak cockpit, cockpit cushions, and taupe covers

Three double cabins, two heads with showers. Both have holding tanks. Forward holding tank added 2025.

Fusion stereo with Bose speakers in saloon.

New AGM Batteries 2024.

Solar panels 860W

Upgraded 25kg Rocna anchor 2024 with 75m of 10mm chain. Chain colour coded every 5m.

Windlass was rebuilt in 2024.

New propeller fitted 2023.

Engine serviced every winter. Engine looks as new in lovely cared for condition.

2 x 50m webbing straps in stainless steel wheels, attached to stern gantry for lines ashore mooring (2024).

New 6 person life raft in dedicated cockpit locker 2024.

**BROKER’S REMARKS**

A superb example of the Jeanneau Sun Odyssey 439 Performance version. Thoughtfully specified for both performance and cruising comfort, she is in excellent condition with numerous upgrades, making her one of the most compelling offerings in this size range. A great opportunity to acquire a powerful, well-appointed and modern yacht that is equally at home on long passages or in Mediterranean anchorages.

Owners comments

Tallulah Ruby presents very well indeed, as a boat more like a 5 years old, rather than 12, which is why we bought her. Not only is she NOT a charter boat, she is also incredibly well cared for by the previous owners. We are only selling because of responsibilities closer to home preventing us from fully engaging with the area.

Ideally suited to Mediterranean stern to mooring, she tracks backward with total control even in difficult conditions and assisted by her powerful bow thruster.

Her moorings have been securely ashore and only launched for our use, typically 7 weeks per year.

**Accommodation :**

**Accommodation**

Three cabins outside the saloon with eight berths in total.

Forward owner's cabin with central berth and storage forward of the berth. Desk/vanity unit with leatherette lining, mirror, reading light and stool. Private head compartment with washbasin and cabinet above, Jabsco marine w.c. with holding tank, Plexiglass shower divider, shower with electric drainage pump.

Saloon with U shaped settee to starboard, upper storage cabinets, and deluxe folding saloon table with double berth infill. Forward facing chart table to port with storage and laptop space. Port settee.

The upholstery has been upgraded to Blue Aqua Nova , Anti mould, scotch guarded Marine upholstery

L shaped galley to starboard with double stainless steel sinks (hot and cold pressurised fresh water system, 40 litre hot water tank and tank gauge), large fridge, Sharp 240V microwave oven, ENO gimbaled two burner gas cooker with grill and oven, and a vast amount of stowage. 530 litres fresh water capacity.

Aft heads compartment to port with basin, shower and Jabsco marine toilet with holding tank.

**ACCOMMODATION**

- Sleeps 6 in 3 cabins + 2 in saloon
  - Forward owner's cabin with centreline berth, desk, and ensuite head
  - Two aft double cabins with hanging lockers and shelving
  - Saloon with U-shaped seating, port settee, and deluxe folding table
  - Convertible double berth in saloon
  - Two Jabsco marine toilets with holding tanks
  - Shower compartments with plexiglass dividers
  - Shades and screens for all hatches
- LAYOUT**

Three cabin, two head layout with central forward owner's cabin and symmetrical aft guest cabins. The saloon features a convertible seating area with ample storage and natural light.

**DOMESTIC**

L-shaped galley with stainless steel sinks, pressurised hot/cold water, ENO gas cooker and oven, and large refrigeration unit. Teak and Holly laminate flooring throughout.

**Inventory :**

**NAVIGATION**
