Remarks :

The Jeanneau sunfast 32 is an excellent Racer/Cruiser designed by Philipe Briand for speed and comfort, Penultima is a great example of a Sunfast 32 and has been well maintained and cared for by its previous owners. Built for fast Sailing she is ideal for racing as her previous owners record will attest to. Finishing 3rd in her class at cowes week and attaining several other honours this boat is ideal for fast and shorthanded sailing.

All lines lead to aft to the cockpit allowing for her to be sailed single handed and she has a full compliment of navigation and radar equipment. Penultima also comes with several Kevlar sails to give you that edge in a race.

Please contact Douglas Ross on 07469972705 to arrange a viewing.
