Various

Remarks :

The Etap 241 is a 8.02 m cruising sailing boat designed by Marc-Oliver Van Ahlen in Belgium and built in 2001. She has been in the same ownership for 9 years and has had three previous owners.

She is set up for easy handling and the fin keel configuration will provide for a very good sailing performance. For a small cruiser she is surprisingly stable and is trailerable. Engine ; Saildrive Serviced April 2024.

Currently berthed on the Dart, this offers the purchaser a chance either for a first cruising boat or a family adventure for up to 4 people, for local cruising or discovering new sailing grounds.

Accommodation :

Accommodation
