**Remarks :**  
'Jasu' is a nice example of the ever popular Beneteau Oceanis 37. Built in 2008 she is the three cabin variant so will be well suited to a large family. She has been well looked after by her current owner and presents in a good condition. She has had a number of upgrades over the last few years which includes the following; Standing rigging 2020, new batteries in 2021, new mainsail in 2015, new Genoa 2017 with new UV strip in 2023 and an engine service in 2024.  
With only three owners from new and having never been chartered she presents as a great opportunity to purchase one of these highly desired yachts.
