Remarks :

The Boston Whaler 240 Outrage is a high-quality, great-looking fast and exciting offshore open boat. She has impressive handling in offshore conditions. Her steering is agile and responsive offering a stable, smooth dry ride.

'Whitsander' has been extremely well looked after by her current owner. The twin Yamaha's 150s come with a full service history. She has been antifouled ,had new anodes and polished for this season and is absolutely ready to go. She has plenty of storage, a separate heads compartment in the central console and a full-length sun lounging seat in the forward area. Her cockpit is large and she has wide decks allowing easy movement around her.

She can be viewed ashore in Lymington 7 days a week. Please call Howard Ross on 07590 847548 for more information and to arrange a viewing.
