Remarks :

L'Enchenteur is a good example of a 1979 Beneteau First 30 she has been looked after by her current owner and is ready to sail, her sails are in good condition and her engine was serviced this year, 2024. Currently lying at the sailing club L'enchenteur represents a value for money sail and perhaps an opportunity for a first time boat buyer to get out on the water.

With 7 berths and 2 cabins a full complement of equipment the beneteau first 30 is a comfortable cruiser perfect for family cruising.
