Remarks :

Westerly Fulmar for sale in Kent.

This 1985 Westerly Fulmar offers seven berths in 2 Cabins in remarkable spaciousness and comfort relative to its size, boasting a simple yet practical layout. Renowned for its excellent handling while sailing, this yacht has been cherished by its current owner for the past 9 years, with only one previous owner in its history. This Westerly Fulmar benefits from a new engine fitted in 2015 and has bilge keels, making it ideal for the East Coast of the UK. This yacht has just been reduced and is being sold as seen.

**The vessel is being sold by way of sealed bid, as is, where is, at the time of sale. ** A copy of the conditions of sale can be obtained upon email request from us.

All sealed bids must be submitted using the appropriate sealed bid submission form by post or email by 12:00 GMT on Monday, 11th August 2025

Please call our Kent Office +44 (0)1634 571605 for further information or to arrange a viewing.

Accommodation :

This Westerly Fulmar provides comfortable accommodation for up to seven people across two cabins, with a maximum headroom of approximately 6 feet.

The forepeak features a V-berth with ample under-berth storage and an infill that easily converts it into a double berth, with natural light provided by an overhead deck hatch.

Moving aft, the separate heads compartment is equipped with a stainless-steel sink set in a vanity unit, offering pressurized hot and cold water, and a marine toilet. The space also includes a built-in shower tray and a mirror. Opposite the heads compartment is a wet hanging locker.

The saloon features a central folding table with two leaves, flanked by settee berths on both the port and starboard sides. These berths provide convenient storage under the seats and on shelves behind them. The port settee can also be easily converted into a double berth.

Located on the starboard side aft within the saloon, the galley is equipped with a gimbaled 2-burner gas hob with an oven and grill, a single stainless-steel sink with pressurized hot and cold water, and ample storage space. Adjacent to the galley is a forward-facing chart table, with a quarter berth situated behind it. Hot water is provided by the engine calorifier tank and a 240v immersion heater

Ascending the companionway leads to the spacious aft cockpit, featuring bench seating for up to seven people and generous storage in a deep locker. The cockpit instrumentation includes a compass, depth gauge, wind direction indicator, and speed log, with engine controls conveniently positioned at the rear.
