Kent 33 Built 2005 for sale in Kent
The **Kent 33** offers comfortable accommodation for four people across three cabins. Built in 2005, "Sheldrake" is a durable, all-weather displacement motorboat crafted by Cory Yachts in Kent, UK. Perfect for unforgettable adventures, it is powered by twin Nanni 200HP diesel engines, driving shafts and 2 x 3-bladed fixed propellers, delivering impressive performance on the water.

This Kent 33 is currently undergoing some work following a recent survey. The work is being undertaken by Cory Yachts in Sandwich, the original manufacturers of this vessel and it is hoped will be completed before the middle of April 2026.
Please call our Kent – Chatham Office+44 (0)1634 571605 for further information or to arrange a viewing.

Accommodation :

The **Kent 33** provides four berths in three cabins with 3 head room. The owner's cabin is forward with a large double island berth with under berth storage, with hanging, shelf and cupboard storage to both port and starboard sides, a mirror, an overhead opening deck hatch above the bed and two opening port holes on both port and starboard sides.
Moving aft, the heads compartment is located to port and includes a white sink mounted within a white moulded vanity unit with hot and cold water, shower attachment, a marine toilet with a 300 litre holding tank and mirror. This area also includes an opening port hole above the sink, and hot water that is supplied by the 110L Calorifier with an additional 240V immersion heater.
Opposite the heads to starboard, is the guest cabin. Featuring two single berths, one to the floor, and a seating area with under seat storage that converts to a single berth with two opening port holes for great natural light.
Ascending the steps to the wheelhouse saloon area, with great natural light and great visibility through three large forward and three side facing windscreens, you will find a single helm seat positioned to port, complete with full engine controls, navigation aids, and vessel control switches. On the starboard side, opposite the helm, is a due functioning seat for the navigator that rotates into the booth seating behind. Infront of the Navigator is a small chart table and storage for charts and equipment, VHF Radio and CD Player/ FM & DAB Radio.
The wheelhouse also boasts, the galley located along the port side of the wheel house featuring, a Techimpex 2 burner gas hob with oven and grill, double stainless steel sink, and an Isotherm 65Lt Fridge with freezer compartment new in 2022, plus an additional isotherm chest fridge fitted beneath the saloon seating and a 240 volt socket. Directly opposite the galley is the large u-shaped booth seating area with central table, under berth storage and this area also converts to a double berth when required.
Additionally, this Kent 33 is fitted with an Eberspacher diesel cabin heating system, ensuring comfort with vents leading to the owners cabin, guest cabin, heads compartment and wheelhouse saloon.
Moving aft through the doors leads to a spacious aft cockpit for a boat of this size, featuring rear seating with under-seat storage, step seating to both port and starboard side, blue cockpit cushions, and access to the two Nanni engines. This area is completed with a full cockpit canopy.
