Remarks :
Nauti Lass is a Van der Stadt Harmony 31 Bermudian Sloop, built by Southern Ocean Supplies Ltd. Designed with beautiful sleek lines and a reputation of a stable yacht that handles easily. She is an ideal first yacht and would sail comfortably on coastal passages, coast hopping, day sailing and will also have a good turn of speed for local club racing.   Typical of Van De Stadt designs she has a high ballast to displacement ration of 41.67 she will handle comfortably all conditions thrown at her. Nauti Lass has done the Atlantic Circuit single handed.   She has been incrementally upgraded and refreshed by her owners over including new sails in 2016, Raymarine equipment, New Engine 2012 and otherwise.   A great boat in good condition and ready for her next adventure.
