Remarks :

The Hunter Pilot 27 is the only true deck saloon yacht in its size. She is a solid, stable, safe, and responsive cruising yacht. Her twin bulb keels give her great performance with a shallow draft. She is also one of the only bilge keelers to perform as well as the fin keel model.

Bonamanzi is well-kitted out and in very good condition throughout. Her engine is regularly serviced, her sails were washed and checked in 2021 and her standing rigging was new in 2020. She has very clean upholstery and internal joinery. Her galley comes with a Plastimo 2000 oven, grill and two burners. The heads are a good size with a refurbished electric sea toilet. The saloon has full head height and a dining table that will sit 6.

This Hunter Pilot 27 is currently ashore and can be viewed 7 days a week.

Please call Howard Ross on 07590 84758 for more information and to arrange a viewing.
