TV : No

Various

Remarks :

Penny black was built in 1990

she is a fine example of Cornish crabbers 24 Yawl , a traditional design and build commanding attention in coastal waters far and wide.

This yawl has a solid long keel with additional stub bilge keels enabling her to sit happily on the ground giving her access to less

pricey drying moorings as well as adventures up shallow rivers and bays perfect for exploring.

She has a full cockpit tent giving extra dry living space as well as comfort below deck with u shaped seating in the saloon around the table, a galley and a large chart table which can convert to extra galley space.

there are storage areas and a separate heads compartment.

She is in good condition, confirmed by a recent survey and her present owner who has refurbished and cherished her

This Cornish Crabber 24 can be viewed seven days a week in Beaulieu.

Accommodation :

There are 5 berths comprising a double v berth, twin singles and a pilot berth.
