</span>For family use, on-board comfort is put first by means of several quite distinct areas:</p> <div title="Page 4"> <div> <div> <div> <p><span>The wheelhouse: the helm position with its driver&rsquo;s and co-driver&rsquo;s seats and side exits is remarkably comfortable and ergonomic.</span></p> <p><span>Designed to take five persons (saloon + swivelling seats), with a folding table, a complete galley and numerous stowage spaces, the saloon allows use for the day or the week in real interior comfort. The two berths complete this comfortable layout.</span></p> <p><span>Outside, movement around the boat, very safe for children, is served by two specific areas:</span></p> <p><span>Aft cockpit: a real relaxation area, the aft cockpit gives a saloon for 4 persons.
